

Nicole's Gourmet Foods is a family owned and operated business. We pride ourselves on providing knowledgeable, personalized service and a unique product offering.

We have been supplying the Restaurant & Hotel industry with quality cooking and baking products since 1989. In 1996 we realized that many of the products we carried were unavailable to the "home chef", and decided to open our retail location in Pasadena. We have since moved to South Pasadena where professional Chefs and "home chefs" alike come to fulfill all of their gourmet needs. Every Thursday & Saturday we have a complimentary Cheese tasting; and you can always sample a variety of specialty oil, vinegars, and other products.

You can also join us for lunch. We serve delicious traditional European sandwiches, salads, & soups. Our Croque Monsieur Sandwich (grilled ham & cheese) was named one of L.A. Weekly's "Nine Kick-Ass Dishes of 2002".

We are now selling & serving fine Beers & Wine!

Come on in, or give us a call. We welcome all of your questions and look forward to seeing you soon.

Sincerely,

Nicole Grandjean & Steven Grandjean
